Dear exhibitors,

#### **What is the 'BEST PRODUCT Award'?**

The award is presented to **innovative products that make a proven contribution to increased efficiency, cost-optimisation and rationalisation**. The winners of this coveted award are selected by an independent, six-strong jury from business, science and the media.

The award is presented in the categories:

- Software, Communication, IT
- Order picking, Conveying, Lifting, Storage technology
- Identification, Packaging and Loading technology, Load securing

#### **How can your company get involved?**

You can enter your product for this award ahead of the fair. All you have to do is send your application to us by **23 April 2021** latest per e-mail.

The award winners are expected to receive their awards live from Messe Stuttgart during the LogiMAT digital Summer Summit, on Wednesday, June 23, 2021 - virtually visible worldwide on our new LogiMAT.digital platform.

We would be delighted to receive your entry for the 'BEST PRODUCT Award'. Good luck!

With best regards
