
BEST PRODUCT LogiMAT 2023

- Instructions for application -

Dear exhibitors,

In order to create equivalent opportunities for everyone and to simplify the work of the jury through standardised applications, we inform you here about the essential form of your application and the information it should contain. A complete application is essential for the participation.

1. Group of participants

Eligible for participation are all officially registered exhibitors of LogiMAT 2023.

2. Closing date

Deadline for applications is **February 17, 2023**. All applications will be collected and given to the jury after the deadline.

3. Form of application

You can find the application form here in the Marketing Online Shop.

Please fill in the form and send it (with photos) by e-mail to logimat@euroexpo.de with the subject 'LogiMAT 2023 – Application Best Product'. The attachments of the e-mail should not exceed 6 MB, otherwise the e-mail will be refused by the mail programme.

4. Categories

The award is presented in the categories:

- Software, communications, IT
- Picking, conveying, lifting, storage technology
- Identification, packaging, loading, securing loads

Only one application is permitted per category and exhibitor.

5. Further information

The content of the applications is kept confidential until the announcement of the winners and the awards ceremony during the opening ceremony on 25 April 2023. Only the jury receives all the applications.

You can find more information about the jury and the winners of the last years on the Internet under Best Product.

The winners will be informed about two weeks prior to the fair.

For more information regarding the BEST PRODUCT Awards please call us by phone under +49 89 32391-248 or write us an e-mail to logimat@euroexpo.de.

**We wish you every success for your application
