Exhibitor Testimonials

"For us LogiMAT is very important. In our internal ranking of trade events, it is right up there among the top few."

Rainer Buchmann, Managing Director, SSI Schäfer, Graz (A)

"LogiMAT has definitely established itself as the leading trade fair and networking platform for the intralogistics sector. It offers us a very good platform and is an important barometer of trends."

René Holzer, CEO, Gilgen Logistics AG, Oberwangen (CH)

"For Inconso, LogiMAT is the most important logistics trade show in Europe. It is the perfect platform for presenting our solutions and innovations to an international trade audience, as well as being a great place to make lots of new contacts and meet up with existing customers."

Bertram Salzinger, Chairman, Inconso AG, Bad Nauheim (D)

"For us being at LogiMAT is a must. Every year this is the most important logistics fair for us and it is always a good opportunity for networking."

Detlef Spee, Head of Intralogistics and IT Planning, Fraunhofer IML, Dortmund (D)

"LogiMAT has established itself worldwide as one of the leading trade fairs for the ground conveyor industry. Crown has been a participant right from the start. Because at this event we meet up with our customers, we generate first-class leads, expand our network of contacts and discuss new trends."

Ken Dufford, Vice-President Europe, Crown Gabelstapler GmbH & Co. KG, Feldkirchen (D)

"The trade audience is what counts in the success of a trade fair. And with the visitor turn-out this year, it's clear that LogiMAT is *the* event for the themes of intralogistics and production."

Thorsten Sydow, Marketing, Salt Solutions GmbH, Würzburg (D)

"For us as a young company, LogiMAT is an excellent fair for expanding into the German market."

Wilbert Raap, Director, Maas Internal LogistiX, Beneden-Leeuwen (NL)

Christian Strauch, Sector Manager Material Handling, Igus GmbH, Cologne (D)

"For us LogiMAT is the best logistics trade fair in the world. There is very much a focus on innovations here. And the quality of the visitors has remained very high over the years, in fact it has risen. And you can't say that about every fair."

Dennis Kunz, Chief Marketing Officer, Ehrhardt + Partner GmbH & Co. KG, Boppard-Buchholz (D)

"LogiMAT has developed extremely well over the years. And we as an exhibitor have benefited from that. For us, as a Swedish company, LogiMAT is the most important trade fair for the European market."

Steffen Kammerer, Sales&Marketing, Helge Nyberg AB, Ulricehamn (S)

"The TradeWorld Forum is a real visitor magnet. The high visitor frequency on all three days and the quality of the trade audience – which precisely matches our target group – has exceeded all our expectations."

Daniel Stenta, Customer Consulting, Federal Express Europe Inc., Karlsruhe (D)

"We came here with mixed feelings because, as a financial services provider, we don't really fit into the traditional spectrum of exhibitors at this show. So at the TradeWorld Forum we focused on presenting financial services tailored specifically to the trade and logistics sector. That brought us together with interesting potential business partners."

Alfred Engelhard, Director Marketing & Business Management, UniCredit Bank AG, Munich (D)
